

NW Mustangs and Classic Fords

April Fool's Poker Run

How many of you have taken a nice drive along a winding river up into the Clark County hills? On Saturday, April 2nd, **NW Mustangs and Classic Fords Car Club** will hold its second annual "Poker Run" by driving up the Washougal River Road. This years run will have an "April Fools" spin while still holding on to the traditional Shamrock heritage.

We will meet in the Starbucks parking lot just off of SR-14, directly across from the Westlies Ford Dealer in Camas to enjoy a cup of coffee together and hang out with our cars. We will then head out about 10:45 and head up the Washougal River. There will be stops along the route to enjoy the sites and sounds of the river, as well as bathroom stops and chances to get our poker hands established along the way. As we cross over the river at Canyon Creek Road, we will say goodbye to the Washougal River and hello to the hills of East County. We will continue along Canyon Creek Road until we reconnect with SR-14 from Salmon Falls Road. We will make a few stops along SR-14 in the Columbia River Gorge, one of which will be at Beacon Rock State Park for another bathroom break. A brief stop will be made at Bonneville Dam and we'll pass the Bridge of the Gods on our way to our final stop of the day at Skamania Lodge for a great lunch. For more info, contact James at 360-798-6860.

What you need to know;

Who: Anyone who would like to participate

What: The 2nd Annual Poker Run

Where: In and around Camas/Washougal and East Clark County

When: Saturday, April 2nd. Meet at 10 am, depart at 10:45

Why: Because we love to have fun with our great rides!

What else do you need to know?

- Sign-up ahead of time so we have a somewhat accurate head-count of how many to plan for.
- Cost is \$10 per vehicle and includes one poker hand and one commemorative pin.
- Additional hands may be purchased for \$5 each (no pin), limit of one hand per person.
- Progressive 50/50 pot being offered throughout the day, winner will be drawn at lunch.

Invite your family, friends and fellow car enthusiast for an afternoon of fun! Please RSVP to James Ediger at JLEdiger@comcast.net
